ABOUT FINEXT CONFERENCE

At Finext, we firmly believe that the finance industry can benefit immensely, by bringing like-minded people on a common platform.

We see ourselves as mere facilitators in that process, committed to doing our bit for an industry that we have learned and gained so much from.

We have successfully hosted our conferences in Las Vegas, Singapore, Orlando and Dubai.

FiNext Conference Dubai was held on 26th - 27th February, 2020 at Le Meridien Dubai Hotel & Conference Center.

The conference aims to bring together 500+ finance leaders, including investors and startups, tech firms, banks, financial services companies, insurers and government agencies. Along with those, CFOs from all major sectors are also expected. We have designed this conference in a way, that it provides secure and meaningful channels for education, networking and building buyer-vendor relationships in the finance industry. Our industry experts offer the most relevant information on the latest trends in the industry and how technology innovations are empowering the industry. Our promise is to enable professionals from across the world, to come together, deliberate and work on improving the impact the finance sector has on today's world.

FINEXT AWARDS

Our team at FiNext is working hard to ensure that our brand name becomes synonymous with unparalleled networking opportunities and immense learning venues. In line with that vision, our awards are meant to recognize companies and leaders, who are making great strides in the traditional finance and FinTech industry, and working towards truly changing the face of industry all over the globe.

We will be felicitating companies and individuals at our conference in Dubai on the 26th and 27th of February 2020. The categories for these awards are the 'Excellence in Finance - Leaders' and the 'Excellence in Finance - Companies'.

Sakir Yavuz

President
Shareholder

Şakir Yavuz is the President of Perfect Timing Holding. Şakir Yavuz was elected by the shareholders of perfect timing holding as the 3rd President of Perfect Timing Holding in 2006.

Perfect Timing Holding has a team of experts and top managers from the areas of the economy, law, banking, architectures, sport management, lobbyists, consultant different areas, media, and different technology, the founder shareholders of perfect timing holding have been active since 1954. The company started in the area of international investment. The American, Asian and European partners first invested in their domestic markets in real estate, commodity traders, and various industry participation areas.

Since the 1980s, they have also developed a highly successful investment strategy in the areas of all types of construction, legal advising, investment consulting, finance consulting, media, industry, and banking participation, as in the hotel business. Also, the basis for a major art collection was laid at this time.

The success of the company also developed the field of consulting, as other companies increasingly on the experience of the team also put investors on an advisory level. Under the leadership of Şakir Yavuz, the company has further expanded into sectors like energy, consulting, media and many others.

Sakir was honored at the Finext Awards and Conference award ceremony at Le Méridien Dubai Hotel & Conference Centre.

This was the Fourth Edition of FiNext Awards & Conference, held on the 26th and 27th of February at the Le Méridien Dubai Hotel & Conference Centre. This much-awaited conference of the year brought together and celebrated the excellence of companies and people in the FinTech sector.

Fin-Tech industry needed space for the smartest, innovative, inventive and ambitious people to connect and create, consequently FiNext Awards and Conference were started as a dedicated platform to serve the needs of the Fin-Tech industry in terms of interaction, innovation, networking and showcasing of the talent.

Two days of celebration of people who have put their lives in innovating, transforming the way how people transact through technology. FiNext Awards acknowledge people who are bringing the future of finance through their persistent efforts.

The conference strives to build a platform for startups, SMEs, key decision-makers, researchers, investors and people from the media to interact and garner meaningful alliances.
